## Knickerbocker Trust Resumed

New York, March 26.—The Knickerbocker Trust Company, which suspended at the beginning of the financial panic last October, reopened for business at noon today, thus marking the advent of another progressive period in the era of reconstruction in the financial and industrial. The company resumes business in accordance

with the plans agreed upon by a committee of depositors after four months' labor. The resumption means the release to the welfare of the community of assets aggregating nearly \$50,000,000. The plans, which were made public several weeks ago, provide for only a percentage of withdrawals for the next six months.

## 83-YEAR-OLD TWINS

They were born in New Orleans county, New York, March 27, 1825, and trace their ancestry back to the Puritans of New England.

## BAILEY DEMOCRATS MEET.

Delegates and Resolutions—Provision for Executive Committee—Bailey to be here in April.

Bailey democrats to the number of about seventy met at the court house last night with Chairman J. R. Astin presiding and Jno. A. Moore secretary. Addresses were made by Chairman Astin, Major L. L. McInnis, F. M. Law, Prof. H. W. South, W. W. Harris and W. C. Davis. The resolutions appearing below were adopted and the list of delegates named elected to the Ft. Worth meeting together with any other Bailey men who desire to attend. Provision was made for the appointment of an executive committee of seven with J. R. Astin as chairman to organize the county by precincts and have charge of the campaign in the county. Mr. Davis stated that Senator Bailey has said he will be here and make a speech in April. It was announced that the county chairman of the democratic party of Brazos county had suggested that the Bailey and anti-Bailey men share the expense of the primary May 2, and the suggestion was endorsed by the meeting. The anti-Bailey men remained away from the meeting only one or two being present.

## Resolutions.

Bryan, Texas, March 26th, 1908  
Whereas, An unjust and an undemocratic fight has been inaugurated against Hon. J. W. Bailey, whose sole purpose has been at all times to promote the public good and whose official record bears enduring evidence of his fidelity and faithful discharge of every trust reposed in him by the people, and,

Whereas, We deem this attack unwarranted and inexcusable, and a great injury to our state and party, and,

Whereas, That the effort to defeat him as a delegate at large to the National convention is not in the interest of the democratic party and its leader, W. J. Bryan, who will be our standard bearer and next president; that in 1896 when Mr. Bryan was in the race for president, J. W. Bailey, in the states of West Virginia, Indiana and Illinois, was speaking for Mr. Bryan and the Democratic cause, while down in Texas, Cone Johnson, one of the Bailey haters, was tearing Mr. Bryan's name from the head of the ticket. And Cyclone Davis, the mouth piece of the Johnson crowd, was swearing his children to eternal vengeance against the democratic party, and,

Whereas, We condemn the action of Attorney-General Davidson in seeking to destroy the time-honored principle established by his predecessors in office by endeavoring to secure a third nomination for the office of Attorney-General, and believe same to be inimical to the best interest of Texas; and,

Whereas, We find in Hon. J. W. Bailey, our senator in Congress, a man of great ability, honesty, integrity and unimpeachable patriotism; one unselfishly devoted to the best interest of our great State, her people and the democratic party; one who has served us in Congress during his entire time there in an able, capable and faithful manner, and that he has our confidence, great admiration and respect; therefore be it

Resolved, That we endorse his candidacy as a delegate at large to the National Democratic Convention at Denver and pledge our support in his behalf, and we also pledge ourselves to the principles of maintaining democratic organization, and supporting democratic nominees, and against the policy of discrediting our officers and servants.

Resolved further, That we endorse that peerless statesman and democrat, Hon. W. J. Bryan, for president of the United States; and,

Resolved further, That we pledge our allegiance and support to that gallant confederate soldier and able attorney, Hon. Richard Wynne, for Attorney General.

We recommend that the following named gentlemen, who have declared their intention of attending the Democratic rally at Ft. Worth, be the duly accredited delegates from the democracy of Brazos county.

S. H. Dunlap, W. C. Davis, J. R. Astin, R. M. Nall, C. S. Galner, J. F. Eaves, T. C. Nunn, Jno. A. Moore, Chas. Davis Jr., S. D. Martin, J. W. Coulter, W. C. Boyett, J. W. Carson, M. G. Buchanan, Dr. R. H. Harrison, H. O. Boatwright, W. D. Yardley, N.

## BLUE AND GRAY REUNION

St. Petersburg, Fla., March 26.—A good representation of veterans from both sides of Mason and Dixon's line was on hand today at the opening of the second national encampment of the Blue and Gray Veterans. The encampment will be in session two days, with Gen. J. S. Carr and Southern Pines, N. C., presiding.

## DINNER TO MISS McINNIS.

Mrs. Walter Wipprecht gave a beautiful ante-nuptial dinner to Miss McInnis last evening, entertaining members of the bridal party resident in this city and at College. Other members of the party reside elsewhere and could not attend. The handsome table was ornate with pink rose decorations and greenery—the designs including a center piece of vases roses and a heart and a Cupid's dart lying upon the snowy damask. A handsome service completed the appointments and the nine courses of the elegant collation were daintily served by Miss Ida Wipprecht. Present were Misses McInnis, Malcolm McInnis, Seale, Garth, Mrs. E. J. Kyle, Messrs. Bryan, Williams, Bradley, Howard Cavitt, Mr. Kyle and Mrs. Wipprecht.

A. Cotnam, W. W. Harris, R. K. Chatam, S. M. Derden, W. E. Johnson.

We further recommend that every democratic citizen of Brazos county who endorses Senator Bailey as delegate at large to the National convention, who can and will attend the democratic rally at Ft. Worth, be hereby declared delegates so said rally and authorized to cooperate with the above named delegates.

W. C. Davis, Jno. A. Moore and A. J. Buchanan formed the committee on resolutions.

### The Daily Eagle

Entered at the Postoffice in Bryan, Texas, as second class matter.

BY CARNES & WALLACE

#### ANNOUNCEMENTS.

The Eagle is authorized to announce the following candidates for the offices indicated subject to the Democratic Primaries:

RUFUS HARDY (Re-election).  
For Congress Sixth District:

BRYAN, TEXAS, MARCH 27, 1908.

Experience is among the most valuable of a successful man's possessions, yet he cannot share it with his friends nor bequeath it to his heirs.

"Trouble is the commonest thing in the world," says Timpson Times. Every man who has ever started out to look for it found more of it than he wanted.

The German Statesman who defied the newspaper men, calling them "swine," has made an apology, and the newspapers are again publishing the proceedings of the reichstag.

Among the articles furnished to every recruit in the United States army is "one housewife." The article specified is not a woman but a box containing needles, thread, buttons and patches.

It has been a custom ever since this government was organized for the people to speak of the chief executive as "our president," but Roosevelt is the first president to use in an official communication to a foreign nation the expression, "my people."

As the Eagle predicted last fall, the tobacco war in Kentucky has caused a boom in the growing of the business in Texas. The largest acreage in the history of the Nacogdoches filed will be planted and new territory is being added in various other localities. "It is an ill wind that blows nobody good."

It is probable that a good many voting precincts and possibly some whole counties will fail to hold primaries to elect delegates to the Denver convention because men will not serve as election officers without pay and nobody is willing to put up for the expenses.

In response to a letter of inquiry he will, if re-elected, continue the fight for reduced passenger fare and for investigating the physical condition of railroads with a view of enforcing improvement orders. He adds that if roads refuse to obey orders the only recourse of the commission is a suit to forfeit charter and place the road in the hands of a receiver.

John D. Rockefeller's secretary says the people of Augusta, Maine, treated him like a gentleman instead of "a horned devil." If Mr. Rockefeller has been treated otherwise than as a gentleman where he is better known it must be his own fault. He has read the Bible to little purpose if he has not learned that "with whatsoever measure ye mete it shall be measured to you again."

#### TO DEBATE JAPANESE EXCLUSION

Seattle, Wash., March 26.—Every argument pro and con in regard to the Japanese exclusion was heard from the platform in the simultaneous debates scheduled for this evening at the State universities of Oregon, Washington and Idaho. Each university named two teams, the debates to be held in Seattle, Eugene and Moscow.

The question of debate was embraced in the following proposition: "Resolved, That the Chinese immigration laws should be extended so as to include the Japanese."

#### T. P. A. IN ATLANTA.

Atlanta, Ga., March 26.—The Georgia division of the Travelers' Protective Association met in fourteenth annual convention in this city today, to continue in session until the end of the week. The annual reports prepared by the President Cary J. King of Rome and Secretary-Treasurer J. H. Andrews of this city show the organization to be in a flourishing condition, both numerically and financially.

#### IOWA DEMOCRATS FAR BRYAN.

Cedar Rapids, Ia., March 26.—The Democratic State convention to select delegates-at-large to the Denver convention and endorse William J. Bryan as a candidate for the Presidency assembled in this city today with a large attendance of delegates and visitors. Claude R. Porter, late Democratic candidate for governor, presided at the opening as temporary chairman and delivered the keynote speech.

#### RHODE ISLAND REPUBLICANS.

Providence, R. I., March 26.—Rhode Island will send an unopposed delegation to the Chicago convention, according to the sentiment expressed by the delegates to the Republican State convention which assembled this morning in Infantry Hall in this city. During the past few weeks emissaries from the Taft and Hughes camps have been busy among the Rhode Island Republican leaders, but the latter could not be persuaded to swerve from their original determination to send the delegates to the national convention unhampered by instructions.

#### BRYAN'S EASTERN TRIP.

Washington, D. C., March 26.—William J. Bryan paid a visit to the capital today, not to feel the public pulse in regard to the Johnson boom, but merely, as he stated, to confer with his political friends on the general outlook for the coming campaign. During the day he had brief talks with many of the Democratic leaders in Congress. Mr. Bryan will go from this city to Pittsburg and will wind up the week with a public speech in Parkersburg, W. Va., Saturday night.

#### MI-CAREME CARNIVAL IN PARIS.

Paris, March 26.—All Paris turned out today for the festivities in connection with the annual Mi-Careme carnival. The spectacular procession and the public decorations were fully as gorgeous as in any previous year. Mlle. Fernando Morin, the young market woman who was honored this year with the election of queen of the carnival, was received by President and Mme. Fallieres at the Elysee with the customary elaborate ceremonies. It is no empty honor to be queen of the market women and laundresses. Mlle. Morin received from the President of the Republic a handsome jeweled brooch and the Paris municipality presented her with a diamond bracelet. The various articles that went to make up her magnificent "coronation" costume were contributed by leading modistes and shopkeepers.

FLOWER SEASON IN MILLINERY.

Magnificent Opening Display Yesterday at Wagner & Brandon's Parlors—Immense Crowd—Large Sales.

All the richness and beauty of Flora's kingdom has been drawn upon by the millinery designers and artists for the offerings of the new and brilliant spring season. It is pre-eminent a flower season and every bud and blossom of every kind and clime appears to be in favor. Not only so, but the floral decorations are used in what seems to be almost prodigal profusion, producing the most brilliant effects. Vari-colored ribbons are much used in trimmings; also smart and jaunty feather effects.

The Copenhagen blue is probably the most popular hat of the season, while the plastic shades are set down by the fashionables as "very good," which we are told means good indeed. The shapes are also varied, with the "Merry Widow," "The Duchess" and the "Merely Mary Ann," leading in popular favor in the large shapes. Large picture hats are shown in variety and much in demand. Of these the black with crease trimmings is a great favorite in the larger cities. In small shapes the Russian turbans are popular.

Very large crowds were present at the opening completely filling and overflowing the parlors. Mr. Brandon informed the Eagle man that it has been the most successful opening and the largest sales he has ever had, and the piles of boxes of sold hats attested the fact. Miss Elder and Miss Wetter were kept busy waiting on the trade all day. The opening continues today.

SODA FOUNTAIN ARRIVED.

DEATH OF LITTLE SON.

Mr. and Mrs. William Mills of the Harvey community have the deep sympathy of friends and neighbors in consequence of the death of their little son, Harvey, 3 years and 2 months old, at their home Wednesday night. The little fellow had an attack of la grippe early in January, and notwithstanding tender care and medical attention never recovered from it. His remains were laid to rest at Wixon cemetery yesterday afternoon, Rev. J. M. Bullock of this city conducting the service.

Illinois Republican Convention  
Endorse the Speaker.

**FAVOR "READJUSTMENT."**

This Word Used In the Tariff Plank  
of the Platform--National and State  
Administrations Commended, Likewise  
Senators Cullom and Hopkins.

Springfield, Ill., March 26.—The Re-  
publican convention to send four dele-  
gates and alternates-at-large to the  
Chicago convention was called to or-  
der by Roy O. West, chairman of the  
state central committee. George Buck-  
ingham of Danville was made both  
temporary and permanent chairman.

The convention was solidly for Hon.  
Joseph G. Cannon for president, and  
endorsed his candidacy in as strong  
terms as language permitted. It also  
upheld the administration of Governor  
Deneen and commended his conduct of  
public affairs. All other state officials

of the party were endorsed, as were  
United States Senators Cullom and  
Hopkins. The administration of Pres-  
ident Roosevelt was also highly  
praised.

The tariff plank of the platform was  
the subject of much discussion and  
nothing definite was done with it until  
Congressman Boutelle arrived with  
the last Washington ideas as being  
the best in which it is to be worded.  
The final draft of the plan did not,  
however, differ greatly from the original  
wording. It declared in favor of  
tariff "adjustment" in place of "re-  
vision," it being the idea of its framers  
that the former word is more compre-  
hensive.

**MOTIVE NOT CLEAR.**

Reason For Animosity to Dr. Hill Still  
Remains a Mystery.

Washington, March 26.—Just why in  
these days of frequent cable communi-  
cation it should be necessary for the  
state department to wait a week or  
ten days upon the arrival of a letter to  
learn the exact nature of the represen-  
tations made to this government by  
Germany in connection with the se-  
lection of Dr. David Jayne Hill as  
American ambassador at Berlin is not  
clear, yet according to an official  
statement such is the case. The fact  
is as far as official records go the  
state department is not even yet pos-  
sessed of information that Dr. Hill's  
election was not acceptable to the  
German emperor.

**HOTEL DESTROYED.**

Many Delegates to Republican Con-  
vention Lose Their Baggage.

Springfield, March 26.—Fire Thurs-  
day practically destroyed the Leland  
hotel, one of the best known hotels in  
the country. The flames originated  
from some unknown cause in the up-  
per portions of the northwest corner of  
the building and was driven by a  
heavy wind, soon spread throughout  
the top story and burned through the  
roof.

The Republican state convention is in  
session at the armory. Most of the  
delegates stopping at this hotel lost  
all their baggage.

**VENTURESOME VOYAGE.**

Italian Intends Crossing Atlantic In  
Twenty-Four Foot Boat.

New York, March 26.—Carle de Pe-  
loggio, an enthusiastic Italian yacht-  
man, is going to make an attempt to  
cross the Atlantic in a twenty-four foot  
sail boat. The start will be made from  
New York harbor July 1 and the ulti-  
mate destination is Genoa, Italy. The  
daring task Mr. de Peloggio is to un-  
dertake is the outcome of a wager be-  
tween him and Marquis Zanotti of  
Rome.

**DONAGHEY LEADS.**

Over One Hundred Thousand Votes  
Cast In Arkansas Primary.

Little Rock, March 26.—Returns re-  
ceived from the Democratic state pri-  
mary election indicate George W.  
Donaghey, Faulkner county, had been  
nominated for governor over W. F.  
Kirby and John H. Hinemon. It is es-  
timated that over 100,000 votes were  
cast, one of the heaviest polls re-  
corded in a similar election in years.  
United States Senator Davis stumped  
the state for Kirby.

**Aged Lady Burns to Death.**

Thornburg, W. Va., March 26.—Mrs.  
Priscilla Davis, eighty years old, burn-  
ed to death. Her clothing was ignited  
from a grate.

**ANOTHER STEP TAKEN.**

Writ of Execution Has Been Is-  
sued by Court.

Austin, March 26.—Another step  
was taken Thursday in the famous  
Waters-Pierce Oil company anti-trust  
litigation when Clerk R. H. Connolly  
of the court of civil appeals issued the  
mandate of that court to the Twenty-  
sixth district court, in which tribunal  
the case was tried. Judge Wilcox of  
that court ordered that execution be  
issued against the property of the  
Waters-Pierce Oil company for the full  
amount of the judgment, which is  
\$1,623,000 and costs of litigation, which  
will add a thousand or more dollars to  
the amount of the judgment. The ex-  
ecution was issued and placed in the  
hands of the sheriff and the machinery  
of the court in this respect is being  
carried out. In the even the sheriff  
falls to find sufficient property to sat-  
isfy the judgment then the bondsmen  
—American Surety company and John  
H. Kirby—become liable.

The only way in which defendant  
company can stay the writ of execu-  
tion is to obtain a writ of error from  
the United States supreme court, and  
it is understood this will be applied for.  
This writ of execution will operate un-  
til the United States supreme court  
acts.

Governor refused to commute sen-  
tence of John Brown, a negro, in jail  
at Cuero, under sentence to hang. He  
was convicted of criminal assault on a  
negro woman school teacher.

Committee from Anti-Saloon league  
of San Antonio, headed by Rev. N. B.  
Harmon, president of the league,  
reached here to confer with the gov-  
ernor about enforcement of the Baskin-  
McGregor law. Dr. Harmon said they  
are here to see the governor and get  
his co-operation in enforcing the law.  
This was brought about by the action  
of some saloons in San Antonio open-  
ing on Sundays.

**MAN OF THE HOUR.**

Indiana Democratic Convention  
Thus Terms Bryan.

Indianapolis, March 26.—The second  
day's session of the Indiana Demo-  
cratic convention opened with its work  
well defined. The Platform was adopt-  
ed and a ticket nominated. The com-  
mittee on resolutions was in session  
nearly all Wednesday night on plat-  
form and the committee on credentials  
spent the night laboring with contests  
between Taggart and anti-Taggart fol-  
lowing in the Seventh district. Tag-  
gart delegation were seated.

The plank endorsing Bryan is as  
follows: "Conditions in our country  
and the remedies to be applied require  
there should be placed at the head of  
our government a man whose sympa-  
thies are with the masses and the  
promptings of whose heart beat re-  
sponsive to good people and whose  
honor and integrity or capacity can-  
not be questioned. The man of the  
hour is America's foremost citizen,  
William Jennings Bryan, and we here-  
by endorse him for presidency of the  
United States, and instruct our dele-  
gates to the national convention to  
cast the vote of Indiana for his nomi-  
nation."

This plank was unanimously endor-  
sed by the convention.

**SMITH OBJECTED TO.**

Burrows Contends Maryland Senator  
Was Not Legally Elected.

Washington, March 26.—Senator  
Burrows, chairman of the committee  
on privileges and elections, made ob-  
jection to the swearing in of Senator-  
elect Smith of Maryland, who was  
chosen to succeed the late Senator  
Whyte.

Mr. Burrows based his objection on  
the strength of Mr. Smith's election  
not having being in accordance with  
the form prescribed by the constitu-  
tion. There had been a roll call of  
the senate just before proceeding for  
the purpose of securing a full attend-  
ance and almost all the senators were  
in their seats.

**Beall Criticises President.**

Washington, March 26.—Congress-  
man Beall, in a speech on the floor of  
the house scored President Roosevelt  
for his effort to force the prosecuting  
attorney of the District of Columbia to  
demand that President Harper of a  
local bank, who is also a wholesale  
drug man, be sent to prison for violat-  
ing the pure food law instead of  
letting him off with the money fine.

**"Bim Button Man" Dead.**

New York, March 26.—Mayer M.  
Bimberg, known widely as the "Bim  
Button Man," was found dead in bed.  
A week ago Mr. Bimberg contracted a  
cold which developed into tonsillitis. It  
was a manufacturer of campaign but-  
tons that Mr. Bimberg was known out-  
side of New York.

went east on an extended bridal trip.
